Joe,

Attached is the opening EC and an LHM for OPIR signed out by our SAC. We need you to secure permission from OPIR for Minneapolis to contact the U.S. Attorney's Office as soon as possible for search warrants. Al-Attas is being bailed out as we speak and may be heading back to OKC to destroy incriminating evidence in their apartment.

Please let me know as soon as OPIR gives the go-ahead. We're all counting on you!

Harry
